Reduction in JRY Targets

573. CHAUDHARY HARMOHAN SINGH:
SHRI KANAKSINH MOHANSINH MANGROLA:

Will the Minister of RURAL AREAS AND EMPLOYMENT be pleased to state:

(a) whether it is a fact that the target of Jawahar Rojgar Yojana for the year 1995-96 has been reduced in comparison to that of the year 1994-95;

(b) if so, what are the reasons for this reduction;

(c) whether it is also a fact that even the amount allocated for this has not been spent; and

(d) if so, what is the reaction of Government in this regard?

THE MINISTER OF STATE IN THE MINISTRY OF RURAL AREAS AND EMPLOYMENT (SHRI UTTAMBHAI PATEL): (a) and (b) Yes, Sir. The physical target for the year 1995-96 under the Jawahar Rozgar Yojana has been set at 9054.74 lakh mandays as compared to the target of 9865.45 lakh mandays which was set for the year 1994-95. The physical target under the JRY is set at the beginning of the financial year after taking into account the resource availability and also the minimum wage rates prevalent in different states. The increase in the wages as also the material component has to be completely absorbed within the funds allotted for the scheme for the year. The minimum wage rates in several major states such as Madhya Pradesh, Uttar pradesh, Andhra Pradesh, and Haryana etc. increased during the year 1994-95. The physical targets in terms of mandays for the year 1995-96 were thus fixed after taking into account the increse the likely expenditure on account of the revision in the minimum wages.

(c) and (d) No, Sir. During the year 1994-95 all the States and UTs together utilized Rs. 4268.33 crores under the JRY against a total outlay (Centre plus State share) of Rs. 4376.92 crores. This works out to 78.80% of the total funds available and 97.52% of the total funds allocated during the year 1994-95.

वापी गुजरात में क्लोरीन फैक्ट्री स्थापित किया जाना

574. श्री जनेश्वर मिश्र: क्या उद्योग मंत्री यह बताने की कृपा करेंगे कि:

(क) क्या सरकार को इस बात की जानकारी है कि गुजरात के वापी औद्योगिक परिसर में नार्वे की सहायता से एक नई क्लोरीन फैक्ट्री स्थापित की गई है;
